**HAPPY FEAST**

ISH-KRIPA DELEGATION

# HAPPY FEAST

“THEREFORE DO NOT WORRY ABOUT TOMORROW, FOR  
TOMORROW WILL WORRY ABOUT ITSELF.”

MATTHEW 6: 34

# DELEGATE SPEAKS...

Dear Brothers and Sisters,

The peace and joy of the Holy Spirit be with you! on the occasion of the feast of St John Calabria First and foremost I wish all of you a happy feast.

It is a time of renewal for all of us. It is time to renew our lives. Renewal is the word that St John Calabria always had in his mind and heart. A holy fear that always made him to think about his life. A fear that if he is doing the will of God. In his own words he used to say "today I restart my life" let us also have such holy fear that leads us always to a continuous repentance and renewal. One who renews recharges himself with the power of God. He gets the strength again to be focussed on the mission, to discern the will of God. Let this preparation continue in the coming months as we are going to renew our vows on December 8th. The true renewal happens when we return to the Gospel, when we realise our identity as sons and daughters of God.

Let us try to become people of faith where the faith is deteriorating, a faith that is reflected in our day to day life. Let this faith in God guide our life, our fraternity and mission.

Let us become a people of hope especially in this time of pandemic. It is quiet difficult to hope in God As the world give too much importance to the worldly things and takes their shelter in material things. Let our faith in God May become hope to so many people around us.

Let us become people of Charity. The true mark of a poor servant. A charity that surpasses selfishness and give way to generosity.

May the Provident Father gives us all the graces and the blessed Virgin Mary May intercede for us. Happy feast to all!

## EDITORIAL

### LET'S CELEBRATE HIM...

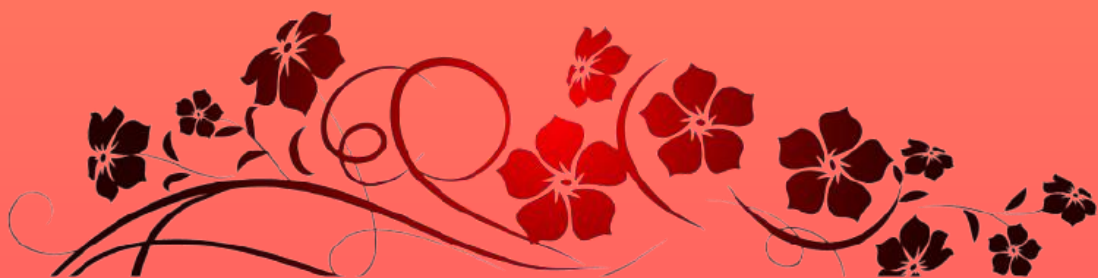

Saints are always a gift to us from God. To receive one like Saint John Calabria is the greatest gift and blessing that each Calabrian possessed in life time. On this occasion of celebrating St John Calabria, our accountability to God for this blessing remains a huge one. The birth and life of John Calabria to me is a legacy of our spirituality given to us by God. His birth unveils about the Providence of God; his life about the Tender Mother who cares for us. His life totally dedicated to the Divine Care is an inspiration for all of us to stick on to the same spirit. Therefore, walking on his footsteps, we reach him out; living his lifestyle, we become like him and celebrating him, he relives among us.

Today is not merely a celebration of his birth alone, rather it's a celebration of the birth of our spirituality and our trust in God's Providence. Whatever he left behind is for us and we need to live it entirely. Hence let's celebrate jubilantly and cheerfully this great day. Happy feast.

May God bless us all.
